Termination Notice	17

Section 1: Letting Key Personnel Know You're Leaving

When you leave employment, you need to submit a Termination Notice to your supervisor, payroll clerk/personnel representative and Benefits and Retirement Operations. If your personnel unit doesn't have its own notice, use the Termination Notice on the last page of this guide.

The Termination Notice gives your payroll clerk/personnel representative information to:

- Process your final paycheck and W-2 form
- Enter your status change in the payroll system (the payroll system, in turn, reports your status change to the Washington State Department of Retirement Systems and T. Rowe Price, the county's deferred compensation plan administrator)
- Submit a retirement service award request form (if you're retiring, you receive a commemorative plaque and personal letter from the King County Executive).

Your Termination Notice also gives Benefits and Retirement Operations the information it reports to Personal Choice Account (PCA), the county's COBRA/retiree benefits administrator. When PCA receives the information, it contacts you about continuing your health benefits.

After the payroll system reports your status change to the Department of Retirement Systems and T. Rowe Price, you can contact DRS about your retirement contributions. If you participate in the deferred compensation plan, T. Rowe Price will contact you about your deferred compensation funds.

It can take up to several months after giving notice to make final arrangements for health coverage, retirement system contributions and deferred compensation funds. To speed the process along, make sure your status change is entered in the payroll system as quickly as possible.

- **Tasks**
- ☐ *Submit a Termination Notice to your supervisor at least two weeks before leaving. If your personnel unit doesn't have its own form for this purpose, use the Termination Notice on the last page of this guide. Provide copies of the notice to your supervisor, payroll clerk/personnel representative and Benefits and Retirement Operations.*
 - ☐ *Check with your payroll clerk/personnel representative after giving notice to make sure your status change has been entered in the payroll system and, if you're retiring, a retirement service award request form has been submitted.*
 - ☐ *If you're a represented employee, check with your union to see if there are any union-related tasks to complete.*

Section 2: Bus Pass/ID/Keycard and Other Property

Return your employee bus pass/ID/keycard and other county property in person or via certified mail to your supervisor by your last day of employment. If you retire from the Metro Transit Division of the Department of Transportation you may be eligible through your union agreement for a retiree bus pass.

- **Tasks**
- ☐ *Return your employee bus pass/ID/keycard and other county property (keys, cell phones, special equipment, etc.) to your supervisor by your last day of employment.*
 - ☐ *If you retire and are eligible for a retiree bus pass, you need copies of your last Department of Retirement Systems statement and the DRS letter confirming receipt of your application to retire (see page 11) to apply for the pass. For details, contact Metro Transit Human Resources in the King Street Center at 206-684-1179.*

Section 3: Final Paycheck and W-2 Form

Your final paycheck is issued two weeks to a month after you leave work, depending on when your last paid day of employment falls in the payroll cycle. Use the Termination Notice to specify how you want your final paycheck and W-2 form processed (your W-2 form is mailed to you at the end of January the year after you leave).

If you:

- Have been employed by the county for at least six months, your final paycheck includes pay for unused vacation leave
- Leave employment but don't retire, you lose sick leave accruals (sick leave accruals are restored if you're a career service employee, return within two years and were in good standing when you left)
- Retire, your final paycheck includes pay for unused sick leave (generally \$.35 on the dollar, though rates may vary under different union agreements).

- **Tasks** ☐ *If you have payroll deductions for savings, loans or flexible spending accounts taken from your paycheck, contact the recipients to make other payment provisions 30 days before leaving.*

Qualstar Credit Union	www.qualstarcu.com	1-800-848-0018
Personal Choice Account	pca@regence.com	1-800-320-2915

- ☐ *If you're a Transit employee and retire, provide a copy of your last DRS statement and a copy of the DRS letter confirming receipt of your application to retire (see page 11) to your payroll clerk/personnel representative as soon as possible. The statement and letter are required to cash out unused sick leave.*

- ☐ *Your Termination Notice lets you specify how you want your final paycheck and W-2 form processed and where your COBRA/retiree benefits information should be sent. If you move after submitting the Termination Notice, be sure to provide your payroll/personnel representative with an updated mailing address.*

Section 4: COBRA

► Eligibility

If you have county health coverage on your last day of employment, it continues through the last day of the month you leave. When county-paid coverage ends, you and your covered family members may pay to continue coverage under COBRA (provided your employment ends for reasons other than gross misconduct). If you leave employment due to retirement, you may also pay to continue coverage under retiree medical benefits, an alternative to COBRA (see Section 5).

Generally, you may continue health coverage under COBRA for up to 18 months. However, if you leave employment due to a disability (as determined by the Social Security Administration), you may be eligible to continue coverage for up to 29 months.

When Benefits and Retirement Operations receives your Termination Notice, the information is transmitted to Personal Choice Account (PCA), the county's COBRA and retiree benefits administrator. PCA contacts you regarding your COBRA options. You have 60 days after your county coverage ends to make your COBRA elections or, if later, 60 days from the date of PCA's letter notifying you of your options. If you elect COBRA continuation coverage, you must make the initial payment by the 45th day after electing it. There is no lapse in

coverage – self-paid benefits begin when county-paid benefits end, even if retroactive processing and payments are required.

► Plan Options

You may pay to continue different combinations of your health plans under COBRA. Your plan options are explained in the information you receive from PCA. To continue a plan under COBRA, you must be covered under the plan on your last day of employment. For example, to continue medical, you must have medical on your last day; you can't continue medical if you don't have it.

If you're a	You may pay to continue
Regular employee Full-time Local 587 employee Part-time Local 587 employee in the Full Benefits Plan	These combinations of the health plans you have on your last day of employment: <ul style="list-style-type: none"> • Medical, dental and vision • Medical • Dental and vision (if you don't have medical on your last day)
Part-time Local 587 employee in the Partial Benefits Plan	These combinations of the health plans you have on your last day of employment: <ul style="list-style-type: none"> • Medical, dental and vision • Medical • Medical and dental (if you don't have vision on your last day) • Medical and vision (if you don't have dental on your last day) • Vision (if you don't have medical and dental on your last day)
Deputy sheriff	These combinations of the health plans you have on your last day of employment: <ul style="list-style-type: none"> • Medical/vision and dental (vision is included in deputy sheriff medical plans) • Medical/vision • Dental (if you're a LEOFF 1 retiree)

When you continue medical coverage (medical/vision coverage if you're a deputy sheriff) under COBRA, you may not change plans until the next open enrollment, with one exception: You may change medical plans between open enrollments if you relocate out of your current plan's coverage area and notify PCA with proof of your new permanent address and the availability of coverage under another King County plan in your new location.

If you elect COBRA between the county open enrollment period and the following January, PCA provides you with open enrollment information and the opportunity to change medical plans effective January 1. (As long as you remain on COBRA, you receive open enrollment materials and have the opportunity to change medical plans each year.)

► Family Coverage Options

You may continue covering the same family members who were covered on the last day of your employment or you may drop any of them from coverage anytime. You may add new family members for coverage if you contact PCA within 30 days of any of the following qualifying events:

- Marriage or establishment of a domestic partnership
- Significant change in your spouse/domestic partner's coverage through his/her employment
- Birth or placement for adoption of a child (you have up to 60 days to contact PCA when adding a newborn)
- Placement of a legal ward (foster child, child placed with you as a legal guardian or child named in a Qualified Medical Child Support Order as defined under federal law and authorized by the plan).

Family members covered on your last day of employment have their own COBRA rights if they lose coverage through you. However, family members added after you elect COBRA coverage don't have separate COBRA rights, except for newborns and newly adopted children.

► When Coverage Ends

COBRA coverage ends the:

- Last day of the month you or your family member:
 - Fails to make the required payments within 30 days of the due date
 - Becomes covered under another group health plan after electing COBRA (unless the plan limits or excludes coverage for a preexisting condition of the individual continuing coverage)
 - Becomes entitled to Medicare benefits after electing COBRA
 - Reaches the end of your maximum COBRA coverage period or
 - Is no longer disabled as determined by the Social Security Administration and has exhausted the designated months of COBRA coverage
- Day:
 - The plan terminates or
 - You or your family member dies (if you die your covered family members may extend their coverage up to 36 months from the date their COBRA coverage started).

When you're no longer covered under COBRA, you may convert your county group medical plans to individual plans by contacting your carriers or you may purchase individual coverage. Coverage and costs of converted medical plans may differ from group plans; conversion isn't available for dental and vision.

- Tasks ☐ *PCA contacts you regarding COBRA options within 30 days after you leave, but you may contact them sooner for details at 1-800-320-2915 or by e-mail at pca@regence.com.*
- ☐ *If you lose COBRA coverage, contact your plan carrier to convert from your group medical plan to an individual plan or contact Statewide Health Insurance Benefits Advisors (SHIBA) for assistance finding other individual coverage.*

Section 5: Retiree Medical Benefits

► Eligibility

If you have county health coverage on your last day of employment, it continues through the last day of the month you retire. When county-paid coverage ends and you begin drawing a retirement pension, you and your covered family members may pay to continue coverage under retiree medical benefits if you meet all these qualifications:

- Have county health benefits on your last day of employment
- Have worked for King County for at least five consecutive years before you retire
- Aren't eligible for Medicare
- Aren't covered under another group medical plan, and
- Meet the requirements for formal service or disability retirement under the Washington State Public Employees Retirement Act or City of Seattle retirement plan (which applies only if you elected to remain under the City of Seattle system by formal agreement between the county and city).

Retiree medical benefits are an alternative to COBRA. If you elect retiree medical benefits, you waive your COBRA rights. You need to consider the differences in choosing between retiree and COBRA benefits, as shown in the following table.

	Retiree Medical Benefits	COBRA
Health coverage available	Medical and vision (regular and part-time Local 587 employees) Medical/vision (deputy sheriffs)	Medical, dental and vision (regular employees and part-time Local 587 employees) Medical/vision and dental (deputy sheriffs)
Length of time coverage available	Until you become eligible for Medicare	18 months maximum (29 months if you leave employment due to a Social Security verified disability)
Change medical plans between open enrollments	No	Yes, if you relocate out of your current plan's coverage area and notify PCA with proof of your new permanent address and the availability of coverage under another King County plan in your new location

When Benefits and Retirement Operations receives your Termination Notice, the information is transmitted to Personal Choice Account (PCA), the county's COBRA and retiree benefits administrator. PCA contacts you regarding your retiree benefits options. You have 60 days after your county coverage ends to make your retiree medical benefits elections or, if later, 60 days from the date of PCA's letter notifying you of your options. If you elect retiree medical benefits, you must return a copy of your DRS letter confirming receipt of your application to retire and the initial payment by the 45th day after electing them (if you return payment without the copy of your DRS letter, PCA will default you to COBRA coverage). There is no lapse in coverage – self-paid benefits begin when county-paid benefits end, even if retroactive processing and payments are required.

► Plan Options

You may pay to continue different combinations of your health plans under retiree medical benefits, except dental; dental coverage is not available under retiree medical benefits. Your plan options are explained in the information you receive from PCA. To continue a plan under retiree benefits, you must be covered under the plan on your last day of employment. For example, to continue medical, you must have medical on your last day; you can't continue medical if you don't have it.

If you're a	You may pay to continue
Regular employee Full-time Local 587 employee Part-time Local 587 employee in the Partial Benefits Plan or Full Benefits Plan	These combinations of the health plans you have on your last day of employment: <ul style="list-style-type: none"> • Medical and vision • Medical • Vision (if you don't have medical on your last day)
Deputy sheriff	Medical/vision (if you're LEOFF 1, the county pays to continue your coverage and you may pay to continue coverage for family members; you may also pay to continue dental under COBRA)

If you elect retiree benefits between the King County open enrollment period and the following January, PCA provides you open enrollment information and the opportunity to change medical plans effective January 1. (As long as you remain on retiree benefits, you receive open enrollment materials and have the opportunity to change medical plans each year.)

► Family Coverage Options

You may continue covering the same family members who were covered on the last day of your employment or you may drop any of them from coverage anytime. You may add new family members for coverage if you contact PCA within 30 days of any of the following qualifying events:

- Marriage or establishment of a domestic partnership
- Significant change in your spouse/domestic partner's coverage through his/her employment

- Birth or placement for adoption of a child (you have up to 60 days to contact PCA when adding a newborn)
- Placement of a legal ward (foster child, child placed with you as a legal guardian or child named in a Qualified Medical Child Support Order as defined under federal law and authorized by the plan).

Family members covered on your last day of employment have COBRA rights if they lose coverage through you. However, family members added after you elect retiree benefits coverage don't have COBRA rights, except for newborns and newly adopted children.

If you elect retiree benefits for yourself and family and die, divorce or terminate a domestic partnership, or a dependent child loses "dependent child" status, family members who lose coverage due to the event may pay to continue their retiree benefits under COBRA for up to 36 months.

► When Coverage Ends

Retiree benefits end the:

- Last day of the month you:
 - Fail to make the required payments within 30 days of the due date
 - Become covered under another group health plan after electing retiree benefits (unless the plan limits or excludes coverage for your preexisting condition) or
 - Become entitled to Medicare benefits after electing retiree benefits
- Day:
 - The plan terminates
 - You die (if you die your covered family members may extend their coverage under COBRA for up to 36 months from the date of your death).

If you retire and elect retiree benefits for you and your qualified family members before you become entitled to Medicare, the retiree benefits end for everyone when you become Medicare entitled. When this occurs:

- You may apply for Medicare supplemental insurance for yourself through PCA. The supplemental insurance is the Secure Horizons Medicare+Choice available to you from PacifiCare. To qualify, you must contact PCA and apply within 30 days of when your retiree benefit coverage ends.
- Your family members have the option to continue their benefit coverage under COBRA for up to 36 months.

If you retire when or after you become entitled to Medicare, you and your family members are not eligible for retiree benefits but:

- You may apply for Medicare supplemental insurance for yourself through PCA, as described in the previous paragraph.
- Your qualified family members may continue county benefit coverage under the provisions of COBRA (up to 36 months from the date of your Medicare entitlement).

- Tasks
- ☐ *PCA contacts you regarding retiree medical benefit options within 30 days after you retire, but you may contact them sooner for details at 1-800-320-2915 or by e-mail at pca@regence.com.*
 - ☐ *If you become eligible for Medicare benefits, you may apply for the Secure Horizons Medicare+Choice plan from PacifiCare. Call 1-800-829-2925 ext. 7482, 1-800-647-7328 or 1-800-387-1074 TTY.*

Section 6: Cost of COBRA/Retiree Medical Benefits

Monthly cost for COBRA and retiree medical benefits is based on what King County pays to provide the same coverage to active employees. The rates are subject to periodic adjustment.

To figure your monthly cost, refer to the following tables. For example, if you're a regular employee who elects only KingCare Basic medical coverage for yourself and dependent children, the cost in 2005 is \$344.35 + \$275.48 = \$619.83 per month.

The rate for dependent child(ren) applies to one child or several, as long as you or your spouse also elects coverage for yourself. If you or your spouse doesn't elect coverage for yourself, the first child pays the same rate as you and the dependent child(ren) rate applies to all additional children. Each non-dependent child pays the same rate as you.

* Since King County pays medical/vision coverage for LEOFF 1 retirees, LEOFF 1 retirees may pay to continue dental under COBRA.

Section 7: Life, AD&D and LTD Insurance

If you have life, accidental death and dismemberment (AD&D) or long term disability (LTD) insurance when you leave employment, coverage continues through the last day of the month you leave.

When you end employment with the county for reasons other than disability, you may continue the basic and enhanced group term life insurance that you had on your last day of employment up to \$500,000. This is called “portability.” Premiums for the continued coverage are paid directly to Aetna and the age-specific group rates may differ from the rates paid by active employees. If you continue coverage, you may also continue the enhanced group term life insurance you had on your last day of employment for your spouse/domestic partner until he/she is age 65 up to \$25,000 and your dependent children until they are age 19 (23 if solely dependent on you for support) up to \$5,000.

AD&D and LTD insurance may also be converted to individual policies. To convert life, AD&D or LTD to individual policies, you must contact the plan carriers and apply within 31 days of when your county coverage ends.

- Task ☐ *If you wish to convert from group to individual policies, call and apply within 31 days of when your group coverage ends.*

Section 8: Flexible Spending Accounts

► Health Care Flexible Spending Account

If you leave employment you may continue participating in your Health Care FSA (contributing to the account and requesting reimbursements) through the end of the calendar year as long as you elect to continue the FSA under COBRA. You have until March 31 of the following year to submit reimbursement requests for expenses incurred during the calendar year while under COBRA.

If you leave employment and don’t continue your Health Care FSA under COBRA, your participation in your FSA ends the day you leave employment. You have until March 31 of the following year to submit reimbursement requests for expenses incurred through the date you leave.

► Dependent Care Flexible Spending Account

If you leave employment your participation in your Dependent Care FSA ends the day you leave employment. You have until March 31 of the following year to submit reimbursement requests for expenses incurred through the date you leave.

- Task ☐ *If you have FSAs, contact PCA for more information before you leave at 1-800-334-4340 or pca.regence.com. For more information, go to www.personalchoiceaccount.com.*

Section 9: State Retirement System

The Washington State Department of Retirement Systems (DRS) is automatically notified by the county payroll system when you leave employment, but you need to contact DRS 60 to 90 days before you leave. This allows DRS time to send you information about retirement contribution options and process the option you choose as soon as possible after you leave.

► If You Retire

If you retire, ask DRS for:

- A schedule of retirement planning seminars (DRS recommends attending a seminar two to five years before you retire, but it's never too late)
- An estimate of your retirement benefits
- An application for retirement.

After you submit your application for retirement, DRS sends you a letter confirming its receipt. Then, shortly before you retire, DRS sends you another letter confirming your retirement benefit.

If you're a Transit employee, you'll need copies of your estimate of retirement benefits (or last DRS statement) and the DRS letter confirming receipt of your application to retire to apply for a retiree bus pass and cash out unused sick leave.

► If You Leave Employment But Don't Retire

Generally, if you leave King County employment but don't retire, you have three options:

- Leave your contributions in your DRS plan (you may be eligible for a retirement benefit in the future, depending on the rules of your plan)
- Transfer your funds directly from your plan to a qualified tax-deferred retirement account (like an IRA)
- Withdraw your contributions (you'll need a withdrawal of retirement contributions form from DRS).

If you transfer or withdraw funds from your plan, you may restore your withdrawn contributions (with interest):

- When you return to employment with King County or another DRS-participating employer
- Within five years of your reinstatement or prior to retirement, whichever comes first.

(If you're a member of PERS 3, the rules for restoring withdrawn funds are different; refer to your member handbook or contact DRS.)

To withdraw retirement contributions, submit a withdrawal of retirement contributions form to DRS. It can take DRS 60 to 90 days after you leave to issue the check.

- Tasks ☐ *Contact DRS 60 to 90 days before you leave at 1-800-547-6657 or e-mail recep@drs.wa.gov. For more information, go to www.drs.wa.gov.*
- ☐ *If you're a member of the City of Seattle Retirement System, call 206-386-1292.*

Section 10: Deferred Compensation

T. Rowe Price, King County's deferred compensation administrator, is automatically notified when you leave employment and sends you information explaining your deferred compensation options. You may withdraw your funds in a lump sum, partial lump sums, installments or an annuity; transfer them to another plan; or keep them in the King County plan. If you elect withdrawal and your balance is less than \$5,000 or the monthly payments you elect are less than \$100, the full account balance will be paid to you in a lump sum.

Designate your option on the forms included in the information T. Rowe Price sends. If you choose to withdraw your funds, you receive them within 60 days after you return the forms.

To maximize your return on deferred compensation investments, plan before you leave employment – attend a quarterly deferred compensation planning seminar. For details, go to www.metrokc.gov/employees/benefits/deferred_compensation/default.aspx or call 206-684-1678.

- Task ☐ *T. Rowe Price contacts you regarding your deferred compensation plan options within 60 days of when you leave, but you may contact them sooner for details at 1-888-457-5770 or through the Web at rps.troweprice.com.*

Section 11: Code of Ethics Provisions for Post Employment

The King County Code of Ethics (K.C.C. 3.04.035) includes provisions to ensure the highest level of ethical conduct in all county transactions after you leave county employment. The provisions are summarized below. If you're uncertain whether or not the provisions apply to you, or if you have any other questions, contact the King County Board of Ethics.

For one year after you leave county employment, you:

- May not have a financial or beneficial interest in a contract or grant that was planned, authorized or funded by a county action in which you participated during your employment
- May not assist a person, whether or not for compensation, in any county action in which you participated during your employment (you're not, however, prohibited from rendering assistance to county employees in the course of employee organization business)
- Must first disclose your past county employment in writing to the department considering or taking county action before you participate.

Additionally, after you leave county employment you may not:

- Disclose or use any privileged or proprietary information gained by reason of your former employment for your personal benefit or the personal benefit of a member of your immediate family unless the information is a matter of public knowledge or is available to the public on request
- Assist any person whether or not for compensation on matters in which you're personally prohibited from participating.
